MEMORANDUM FOR: General Walter B. Smith  
Director of Central Intelligence

At the Board luncheon Thursday, May 1, 1952, it was decided that the new panel concerned with the psychological aspects of economic security vis-a-vis the Soviet orbit should draw up its own terms of reference to be submitted to the Board for approval. The panel for Plan [REDACTED] met on Tuesday, May 20, 1952, and unanimously adopted the attached terms of reference. Mr. Harriman's office was represented on this panel and has concurred in the terms of reference.

In accordance with our practice of not submitting the terms of reference for discussion at Board meetings unless there is disagreement among the member agencies, we will not place these terms of reference on the agenda for a Board meeting. We would appreciate, however, a memorandum indicating your concurrence in order to insure formal Board approval.
